THE NEW ZEALAND TOURISM AWARDS

Key dates

Entries will open in mid-2019. Key dates will be available shortly on the New Zealand Tourism Awards website.

Entry and submission process

When entries open you will need to complete the online entry form, choose the categories you wish to enter and pay the entry fee. You'll then be emailed a link to start the submission process straight away.

It's a good idea to start thinking about your entry now and make sure you allow sufficient time to complete your submission so that it best represents your ability and achievements. Strict word counts apply, and these are laid out in the criteria.

Supporting material is encouraged and can be submitted to support any/all of the criteria for the award. Entrants can provide up to 2MB of supporting material in PDF format. Links to websites and electronically held information are welcome.

You will be asked to provide names of two referees, including their contact email and phone number. If you are selected as a finalist, your referees may be contacted by a member of the judging panel.

The full Criteria and Submission Guidelines will be available when entries open and contain all the information you need to complete your submission. Please read these carefully before commencing.

Industry Enabler Award

This award recognises a central or local government agency, research organisation, education provider or sector association that is helping grow a sustainable tourism industry that benefits New Zealanders.

Enabler initiatives may include, but aren't limited to, those that remove barriers to travel, improve the visitor experience, provide valuable new industry insight, facilities or services, generate knowledge to improve decision making, or build connections to advance industry performance.

The objective of the initiative should be the betterment of the tourism industry, and may be ongoing.

What are the judges looking for?

- **Leadership** – a clearly defined initiative which was successfully implemented and has had a significant impact with results achieved over a sustained period of time, demonstrates innovative thinking or a new way of doing things
- **Operational excellence** – stakeholder management, project management
- **Impact and outcomes** – superior results are achieved, documented, measured and evaluated with the aim of continual improvement
- **Enduring benefits** – how does this initiative contribute to growing a sustainable tourism industry that benefits New Zealanders?
