THE NEW ZEALAND TOURISM AWARDS

Key dates

Entries will open in mid-2019. Key dates will be available shortly on the New Zealand Tourism Awards website.

Entry and submission process

When entries open you will need to complete the online entry form, choose the categories you wish to enter and pay the entry fee. You'll then be emailed a link to start the submission process straight away.

It's a good idea to start thinking about your entry now and make sure you allow sufficient time to complete your submission so that it best represents your ability and achievements. Strict word counts apply, and these are laid out in the criteria.

Supporting material is encouraged and can be submitted to support any/all of the criteria for the award. Entrants can provide up to 2MB of supporting material in PDF format. Links to websites and electronically held information are welcome.

You will be asked to provide names of two referees, including their contact email and phone number. If you are selected as a finalist, your referees may be contacted by a member of the judging panel.

The full Criteria and Submission Guidelines will be available when entries open and contain all the information you need to complete your submission. Please read these carefully before commencing.

Tourism Sustainability Business Excellence Award – more than \$6 million annual turnover

The Tourism Sustainability Business Excellence Award – more than \$6 million annual turnover recognises excellence in the design and implementation of initiatives to grow the whole tourism business sustainably. This business will be achieving outstanding economic results, high visitor satisfaction, and be taking significant action towards achieving host community and environmental sustainability. Overall, it will demonstrate leadership in the progress it is making towards meeting the 14 [Tourism Sustainability Commitment](#) business commitments and the contribution it is making to grow a sustainable tourism industry that benefits New Zealanders.

The more than \$6 million' annual turnover award recognises larger organisations may have more resources accessible to them but may also face greater levels of complexity when implementing initiatives and strategies to grow their business.

Entry into this award is based on your TIA membership. The annual turnover figure of more than \$6 million excludes GST.

What are the judges looking for?

- Outstanding economic results
- High visitor satisfaction
- Significant action towards achieving host community sustainability
- Significant action towards environmental sustainability
- Economic, visitor, host community and environmental sustainability actions are having a positive business impact, and making a significant contribution towards growing a sustainable tourism industry for all New Zealanders
